### 2021 Phlebotomy Program

Thank you for your interest in applying for the Phlebotomy Training Program. We look forward to reviewing your application, and appreciate your interest in this program.

Due to the current situation with the COVID-19 pandemic, our program has had to institute some changes. Currently we are unable to test applicants, therefore, our application process has changed from the past.

Please note:

**The Phlebotomy Training Program is a college-level training course. This course requires applicants to, at a minimum, be at an entry-level college reading comprehension, writing, and mathematics academic level. There will be classwork, homework and research work involved in this course. By signing the application, you are acknowledging that you are at this academic level, as there will be no refunds for students who choose to discontinue the course.**

Most all of our communication is conducted via email. Students must have internet access. Given our current situation and other natural disasters such as fires and power outages that may occur, our course, may, without notice, have to transition to online learning. This will happen as a last resort, but please keep this in mind. If you are selected for the course and do not have internet access, please contact us and we will work with students one-on-one to assist with connectivity issues.

This application is the initial screening application. If you are accepted to participate in the course, you will need to be able to also provide the following:

- Proof of high school diploma/equivalent
- Medical Clearance (forms will be provided) from your physician
- Proof of completed Hepatitis B vaccination series
- Two negative TB tests

Once accepted into the program, you will be given a timeframe in which to complete the additional documentation.

If you have any questions, you may leave a voicemail message at (707)467-5123 or email Sally Nevarez at [snevarez@mcoe.us](mailto:snevarez@mcoe.us)

Thank you for your interest in the Mendocino County Office of Education's Phlebotomy Program. We look forward to receiving your application. Completed applications may be mailed to the above address, attention Sally Nevarez or scanned to [snevarez@mcoe.us](mailto:snevarez@mcoe.us)

## DISQUALIFYING PENAL CODE SECTIONS

If you have been convicted of any of the following crimes, you cannot receive licensure in health care related professions and MCOE/CTE cannot enroll you in any healthcare related classes. You may seek action with the courts to expunge your record, and then apply for the classes. All students in healthcare related classes undergo a Department of Justice background check. If you are found to have committed a crime on the following list you will be dropped from the course. There will be no refunds of payments made if you are dropped from the course.

**All applicants should review this list carefully to avoid wasting their time, effort and money by training, testing and submission of their background check request since they cannot receive the required criminal background clearance if they have been convicted of any of these violations.**
