

ALTERNATIVE SCHOOLS/PROGRAMS OF CHOICE

The Mendocino County Board of Education desires to provide a variety of innovative educational programs to accommodate students' diverse learning needs and interests, foster student engagement in the schools, and enhance student achievement. Toward this end, the Mendocino County Office of Education may establish and maintain alternative schools or programs of choice.

A County Office alternative school or program of choice may differ from the traditional educational program in its academic emphasis, sequence of curriculum, educational philosophy, instructional strategy, structure, setting, size, scheduling, targeted student population, decision-making process, and/or other components. All alternative schools or programs of choice shall offer enrolled students the opportunity to acquire the knowledge and skills necessary to achieve content standards in core academic subjects and shall provide access to the course of study required for high school graduation.

(cf. 6143 - Courses of Study)
(cf. 6146.1 - High School Graduation Requirements)
(cf. 6158 - Independent Study)
(cf. 6172.1 - Concurrent Enrollment in College Classes)
(cf. 6178 - Career Technical Education)

As necessary to provide flexibility to alternative schools or programs of choice to improve student performance and/or streamline operations, the County Superintendent or designee may request that the Superintendent of Public Instruction waive any provision of the Education Code except provisions specified in Education Code 58509.

The Superintendent or designee shall establish processes to ensure communication among staff in the alternative schools or programs of choice and staff in the regular educational program in order to share information and ideas.

Program Evaluation

The County Superintendent or designee shall conduct an annual evaluation of each alternative school or program of choice which includes testing of basic skills for student participants and which identifies the variables that may have affected student academic achievement. The evaluation process shall include input from teachers, parents/guardians, and students from the alternative school or program of choice. (Education Code 58510)

Evaluation reports shall be sent to the Superintendent of Public Instruction on or before August 1 following the close of the school year. (Education Code 58510)

(cf. 6162.5 - Student Assessment)

(cf. 6162.51 - Standardized Testing and Reporting Program)

Prior to submitting the evaluation report to the Superintendent of Public Instruction, the County Superintendent or designee shall report the evaluation results to the Mendocino County Board of Education. The County Board shall review the effectiveness of the school or program in meeting program objectives, compare student achievement data with that of students in other programs, evaluate changes in the school or program over time, and make program modifications as needed.
