

EXPENDITURES OF CALIFORNIA LOTTERY FUNDS

It is the policy of the County Board of Education that the expenditure of supplementary funds received from the California Lottery shall conform to the following criteria:

1. The activities and programs will be visible, high-impact ones designed exclusively for the education of infant-to-grade 12 students PLUS severely handicapped programs with students up to 22 years old, or as otherwise provided in law.
2. No funds will be spent in acquisition of:
 - a. real property
 - b. construction of facilities
 - c. regular pay increases
 - d. financing of research
3. Lottery fund expenditures are in addition to, not instead of, the usual classroom or administrative budgeted expenditures.
