WHEN: The following six Mondays: 2/22/21, 3/1/21, 3/8/21, 3/15/21, 4/5/21, 4/12/21

TIME: 3:00 ~ 4:00 pm

FACILITATOR:

Stephen Hahm
shahm@mcoe.us

REGISTER HERE

DESCRIPTION:

- Successful school communities are places where students and staff feel connected, happy, successful and engaged.
- To achieve this involves intentional work on climate (the practices and feel) and the culture (the heartbeat and personality) of a school.
- Dig deeper into some aspects of intentional school communities

SESSIONS:

February 22nd

How our personality can impact the learning environment

March 1st

SEL and emotional intelligence considerations

March 8th

Considering mental health perspective for students

March 15th

Our lived experience-cultural responsiveness

April 5th

Establishing behavioral boundaries, expectations, and feedback

April 12th

Community building – the restorative approach
